Dear Gordon,

I am writing to thank you formally for your contribution to the recent Postgraduate Certificate in Sustainable Business workshop. The event as a whole very well rated, and this success is in no small part due to your presentation, which was greatly appreciated by the participants.

I thought that I would share with you the participants' comments on the session:

- Valuable insight into entrepreneurship in this area
- Inspirational! Real focus on reality - demonstrates that it can be done!
- Practical and realistic combination of business and sustainability
- A good practical example
- Real life genuine passion - it can work!

Many thanks once again for your support.

Best wishes,

Lindsay Hooper  
Programme Director
